

Honeymoon Gift Certificates

Why not give your newly-engaged friends and family a unique wedding or shower gift you *know* they'll enjoy – a romantic candlelit dinner for two on a private beach, a dual massage at a luxury spa, or an exciting snorkeling tour?

Honeymoon gift certificates, which come in denominations of \$50, can be used by the couple for special dinners, activities and excursions while on the trip. When you order, a beautiful card, which includes your names, the gift amount, and a short message, will be sent to the couple advising them of your gift.

Please note that there is a \$5.95 shipping & handling charge, plus \$3.00 for each additional \$50 increment beyond the first.

To order, simply call MoonRings at (800) 205-3314, or fax back the completed form below to (312) 261-5766.
