The Fine Print:

- Not all honeymoons are a good fit with our approach and expertise; we reserve the right not to work with a given set of clients if the fit is poor. No matter what, all inquiries will receive courteous, professional attention via our initial consultation.
- MoonRings is the sole determinant of dollars spent. This will be comprised of pre-booked activities, accommodations and on-the-ground transportation.
- We reserve the right to modify and/or discontinue the referral program at any point.
